

## Join Me for Pregnancy Center North's Walk for Life!

---

Pregnancy Center North is raising funds for moms and babies at their annual Walk for Life event, and you're invited to participate! Last year, PCN celebrated 40 years of service to families in the Baltimore area and moved to a beautiful, newly renovated center located in Towson, MD. With your help, they can continue to offer FREE, life-affirming services to women facing unexpected pregnancies. Simply click the link below to donate on my page (I'm the Captain of Immaculate Conception's Respect Life team) in support of LIFE!
